

**25<sup>th</sup> House District Advisory Committee**  
**P.O. Box 42**  
**Weyers Cave, Virginia 24486**

The purpose of the 25<sup>th</sup> House District Advisory Committee is to advise me on issues and topics which concern the constituents of the 25th House District and to discuss the General Assembly session. As representatives from various localities and professional backgrounds within the 25th House District, the Advisory Committee will provide input dealing with concerns people may have regarding possible legislation and current issues. This feedback will be informative and helpful to me as I represent the 25th House District in Richmond during the next General Assembly session.

The Advisory Committee usually meets 2-3 times throughout the year. Committee meetings are open to anyone who would like to get involved. If you know of someone else who might be interested in attending and expressing their views which affect the 25th House District, please invite them to attend and join.

Please return the enclosed form which states your intention to join the committee. I hope you can find time in your busy schedule to be a part of this important task. If I can be of any assistance, please let me know.
